ELECTION ORDER.

Whereas, The city council of the City of Bryan deems it advisable to issue bonds of said city for the purpose hereinafter mentioned.

Therefore, it is hereby ordered by the city council of the city of Bryan that an election be held on the 10th day of August, 1909, at which election the following proposition shall be submitted:

Shall the city council of the city of Bryan be authorized to issue the bonds of said city in the sum of ten thousand dollars payable in forty years after date with the option of redeeming same at any time after five years from date, bearing interest at the rate of five per cent per annum, payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of erecting and building a city hall building for the city of Bryan, and said bonds to be designated as Bryan City Hall Bonds.

Said election shall be held in the city of Bryan at the court house of Brazos County, Texas, at which place the polls shall be opened and the fol-

lowing named persons are hereby appointed managers of said election: J. L. Edge, presiding judge; J. D. Martin, assistant judge; and O. S. Johnson and E. J. Jenkins, clerks.

Said election shall be held under the provisions of Chapter 149 Acts of 26th Legislature and only qualified voters who are property tax payers of said city shall be allowed to vote and all voters desiring to support the proposition to issue bonds shall have printed on their ballots the words "For the Issuance of Bonds," and those opposed shall have printed on their ballots the words "Against the Issuance of Bonds."

The manner of holding said election shall be governed by the laws of the state regulating general elections.

Try This This Summer

There will come many times this summer when the heat will be almost unbearable. And your thirst will refuse absolutely to be quenched by plain water, or the average sweet soda fountain drinks or bottled beverages.

DRINK

Coca-Cola

You will be surprised and delighted at its cooling effect and at how completely it will quench your thirst. You will find it as refreshing and delicious a summer drink as coffee is a winter drink. And it's as pure and wholesome—as harmless as the tea, or coffee, or milk, or cocoa you drink at the table every day of your life.

But do not be deceived into accepting a substitute—refuse any other drink that claims to be as good or better. Insist on and

We have been so successful in the result of analysis of Coca-Cola. We purchased in the open market an original package of two gallons of Coca-Cola. The contents of this jug were submitted to a very careful and exhaustive analysis for carbonic acid, alcohol, and we failed to find any trace of either. Carbonic acid is the element of a soft drink. The amount of carbonic acid contained in one gallon of Coca-Cola used for making one glass of the purest drink is less than one-half that is contained in a cup of coffee of average strength.
